Mr. Willie Wells, Manager  
Newark Eagles Baseball Team  
Newark, New Jersey

Dear Mr. Wells:

A letter of introduction:

I am now employed as coach and instructor of physical education at A. and T. College. My work here will end some time in June and I am seeking employment for the summer months. Although most of my scholastic and collegiate athletic ability was devoted to football, basketball and track I have played a great deal of baseball and believe could have equal success in this sport if given the opportunity. I am 6ft. 3 in. tall, weigh 210, age 24 yrs, native of Ocean City, N. J., graduated from Indiana Univ. in 1941.

Would like to know the possibilities of becoming a member of your team. I play first base or outfield. For references I suggest Monty Irvin, Sect. of Y. M. C. A. in Orange, or any of our sports writers.

A favorable reply will be appreciated. If not, would be indeed grateful for your knowledge concerning openings on other N. N. L. teams.

With best wishes for continued success, I am

Sincerely yours,

*Archie Harris, Jr.*
